Our five hospital sites in the federal states of Bavaria, Brandenburg, Hesse and Thuringia are first-class, highly specialised facilities which continue to show a solid performance. We therefore see ourselves well prepared for the impending healthcare reform", said Prof Dr. Tobias Kaltenbach, chairman of the Board of Management of RHÖN-KLINIKUM AG.

Outlook for 2024 confirmed

For the current financial year, RHÖN-KLINIKUM AG continues to expect revenues of 1.6 billion euros within a range of plus or minus 5%. For earnings before interest, tax and depreciation/amortisation (EBITDA), a level of between 110 million euros and 120 million euros is expected.

The outlook is subject to considerable uncertainties in connection with the numerous global crises in the form of inflation and price increases and any regulatory measures impacting our remuneration structure in 2024.
